Re: Priddis Music, Inc. v. Trans World Entertainment Corporation
Civil Action Number: 05-cv-0491

Dear Mr. Tietjen:

We have been waiting for your response to my letter of October 10, 2006 setting forth plaintiff's settlement demand in anticipation of the upcoming settlement conference. Both the Uniform Pretrial Scheduling Order and the September 28, 2006 Order scheduling the settlement conference require some kind of response to this demand. We are frustrated by what appears to be your lack of regard for the directives of the court and absence of good faith in dealing with this matter.

Very truly yours,

/s/ Michael J. Hall
